## I CONGRATULATE

the newly elected officials of the City of Elba and thank the people of Elba for their past support and for the many, many courtesies shown my wife and myself during the campaign.

I pledge to Mr. Brunson my support and I will do everything possible to familiarize him with the many important housekeeping details of managing the City of Elba.

### L.P. MULLINS

### I APPRECIATE

the fact that the voters of Elba saw fit to re-elect me to the City Council. During the next four years each of you should remember that each councilman serves the entire city, just as he is elected city wide, and call me or stop me on the streets if I can be of any help to you.

### **CLEO HAWKINS**

### THANK YOU

I honestly appreciate the vote of confidence the voters of Elba gave me in Tuesday's election and the clean, fair race run by my opponent. I promise to work with other city officials during the next four years for the betterment of Elba and the people who live here.

### DONNIE MORROW

### MY SINCERE THANKS

to everyone that supported me in my successful race for council man in Ward 2. I will endeavor to work for all in our city during the next four years.

# THANK YOU FOR YOUR VOTE OF CONFIDENCE

I sincerely appreciate the many people who worked for me, supported me, and voted for me in the Mayor's race. I especially appreciate the special effort and personal sacrifices required on the part of some of you to get to the polls. Without your efforts OUR VICTORY would not have been possible.

During my term in office, I shall constantly direct my efforts toward achieving the goals previously outlined. In order for us to achieve these goals, I will need your help and cooperation.

Thank you for your consideration, help and support.
